After 10 years at one location in Gaslight Village Bill Cole Insurance Agency, Inc. is moving from ground floor location at 2143 Wealthy St SE to ground floor location at 2169 Wealthy St SE.

Application for special land use to be office on ground floor.

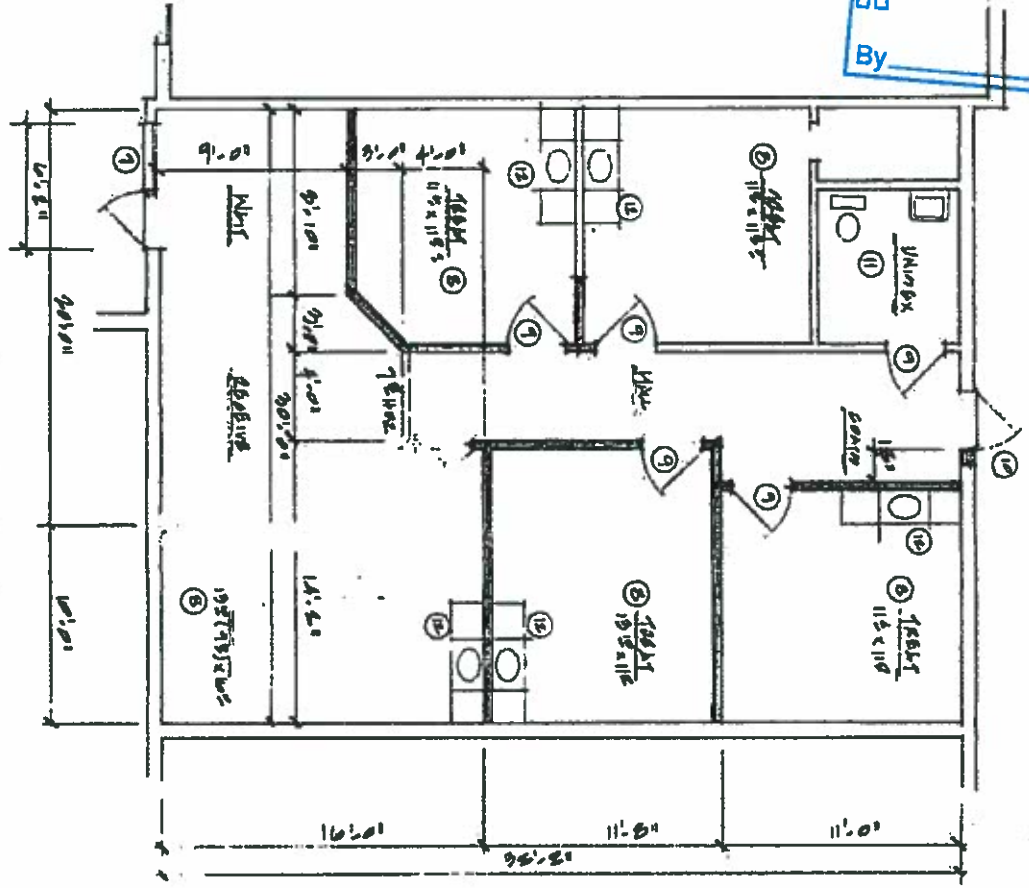

THANKS ALEX.

Bill Cole Insurance Agency, Inc. is applying for special land use approval to have a ground floor office in the plaza on Wealthy St that is home to D&W and Subway. Our office exterior will have no change in appearance from the current look other than our signage that will be permitted and suitable for the area. We have been a ground floor office in our current space located at 2143 Wealthy St SE and have done our best to be a great addition to the community. Keeping our space clean, decorating for holidays, sponsoring decorations, parades, fireworks, etc. in the village and being part of and volunteering at community events (Taste of East and Christmas Tree Lighting). Myself as the business owner volunteered and sat on the board of the Gaslight Village Business Association for five years. Our office use will only continue to enhance the area in and around us as we serve our clients in East Grand Rapids and the surrounding areas. We will continue to be a great part of the community through our work, volunteering, and our patronage of our many business neighbors here in Gaslight Village.

Thank you for your time and consideration. We look forward to being a positive part of this community going into the future.
