Please allow enough time. The online meeting will be available beginning at 7:40 am, but the meeting will not be called to order/started until 8 pm.
2. To use closed captioning from a computer browser window, hover your mouse along the bottom of the screen, then click on "Turn Captions On" in the white menu bar that rolls up from the bottom.
3. To use closed captioning on a mobile device, touch the CC button along the top of the video once you've connected to the meeting.
4. Please make sure you are in a quiet area with minimal background noise (children, dogs, TV). A set of headphones with microphone may help but are not necessary.
5. If you have a question or comment about one of the agenda items, you may submit it in writing to City Clerk Karen Brower at kbrower@eastgr.org prior to 5 pm on June 25.
6. A closed executive session will take place during the meeting. During that time, the discussions of the city commission will not be broadcast to the public. After the closed session, commissioners will rejoin the publicly broadcasted meeting for remaining agenda items.
