The City of East Grand Rapids Parks and Recreation Department, in strong partnership with the community and school district, is committed to providing courteous and efficient delivery of services in safe and secure facilities.

We are committed to providing enrichment, educational and sports programming for all ages to promote healthy lifestyles, family interaction and a sense of community.

We are dedicated to preserving, enhancing and protecting our parks, green spaces, indoor and outdoor facilities in a fiscally responsible manner for present and future generations.

WE ENCOURAGE YOU TO
“STAY IN THE KNOW”

Thanks to our program registration and email system, CivicRec, we are able to keep in touch with our participants, residents and nonresidents alike, notifying them of new classes, time changes, cancellations, etc. However, we know that not everyone wants to receive an abundance of emails if they are not interested in specific programming. To opt out of emails regarding a particular program, we advise you to login to your CivicRec account and adjust your contact preferences, rather than unsubscribe from the general email. By unsubscribing altogether, you risk missing out on important information from the department such as park construction updates, public input opportunities, registration deadlines or program changes/cancellations and much more. As an active community we want to make sure you’re receiving information you’re interested in, providing you the best opportunities to remain active and stay up-to-date through our programs and around the City.

Concussion Awareness Forms

State Law; Public Acts 342 and 343

In June of 2013, the State of Michigan instituted a new law whereby all participants under the age of 18 must have a signed Concussion Awareness Form. This form must be filed with our department and once received it is kept on file for the duration of participation or until age 18 for each family member.

Forms can be found at our city website (www.eastgr.org) and can easily be submitted electronically to our office. We also have blank forms at the Recreation Department front counter for your convenience.

All Parks & Recreation Department coaches are required to participate in Concussion training.

To learn more about concussions, go to www.cdc.gov/concussion.

Michigan’s Fastest Track Camp | Age: 8-14

Michigan’s Fastest Track Camp aims to encourage our youth to pursue active and healthy lifestyles by introducing them to the world of track and field, giving them a general knowledge of proper running form, and guiding technique in 4 different field events. The kids will be involved in different workouts, stretching, drills and games to help improve their strength, coordination, endurance, and flexibility as they learn about some of the most common track and field events. Even though track and field will be the main focus of this camp, it is not exclusively for athletes. This camp is for kids of all skill levels as we will be playing games and learning about healthy living and eating.

Youth Football League | 3rd-6th Grade

Welcome to youth football. The East Grand Rapids Parks and Recreation Department is proud to be part of the West Michigan Youth Football League (WMYFL). The mission of the league is to provide a safe and fun learning environment. This program is for kids in grades 3rd-6th. Football is a team sport that teaches life-long skills and players will feel a great sense of accomplishment. Teams are formed for 3rd/4th together and 5th/6th together through a draft process so no buddies or special requests can be honored. Weight divisions are 3rd/4th = 125 lbs., 5th/6th = 145 lbs. Please note that 7th Graders now play in the Middle School League. Players must provide their own gear (white helmet, white pants with pads, shoulder pads, athletic cup, mouthpiece and rubber molded cleats). Game jerseys will be provided by EGR Parks and Recreation Department and must be returned at the end of the season. Football permission forms are required and are accessible via our website after registration and also will be on your payment receipt.

Fencing | Age: 7-15

Learn the weapon wielding skills of Knights, Pirates and Jedi seen on the silver screen! Modern fencing is an Olympic sport with roots in European sword fighting of centuries past. Today, fencing is a competitive sport of strategy, finesse, skill, and endurance. Fencing offers children and teens a positive physical activity, and teaches young people life skills such as confidence, focus, decision making, and respect along with improving balance, flexibility and mental agility. In beginning fencing classes, students learn the fundamentals with games, exercises, footwork, and bouting with fellow novice fencers with all equipment provided. Professional coaches, Mikhail and Arkadiy Sarkisov, both of who are former Soviet Champions, US Cadets and Junior National team coaches are among the instructors. This class will be combined with other Parks and Recreation Departments.

Mining and Crafting | Age: 4-11

Put on your hiking boots and camouflage and get busy building a shelter before night falls and dinosaurs from the Jurassic Period come out to visit. Children will build a world that comes to life with the gentle Brontosaurus, ferocious Velociraptor, terrifying T Rex as well as some of the mobs, critters, and tools made popular by the game, Minecraft. Children will be given the opportunity to build from our engineering, 3-D and mosaic model plans as well as use our LEGO® bricks and other STEM-based activities to develop their own models and designs. It’s never been a better time to join Bricks 4 Kidz!

Description: Minecraft is a game about placing blocks to build anything you can imagine. At night monsters come out, so make sure to build a shelter before that happens. Experience the world of Minecraft with LEGO® bricks in this fun camp. Kids will start by crafting their shelters and some of the mobs, critters and tools using LEGO® bricks. Students will face new challenges each day, building models and crafting key elements from the popular Minecraft game. Summer Algebra Institute 3rd-6th Grade

Turn your child ON to math! Algebra is THE gateway to every higher math and science course your child will take. Summer Algebra Institute (SAI) works in two directions - looking ahead to some very substantive Algebra that kids will encounter in a typical Algebra 1 course, while also looking back and connecting to the arithmetic they already know. SAI uses color, size, shape, texture, music, movement, hands-on activities, and fun games to embed a foundation of algebra concepts in the minds of students.

Adventure awaits in this unique summer camp full of heroes, monsters, traps, and imagination. Creative problem solving, social skills, cooperation, math and probability will be on display as campers experience structured role-play activities. D&D is a fantasy pen and paper role playing game with major influences drawn from Tolkien to Lovecraft. Epic heroes battle legendary baddies. The story and content will be fun and appropriate for all kids attending and it’s all screenless! Campers will learn to play D&D, create a unique character, join an adventuring party, and quest for loot and fame. Audio, visual, kinesthetic and writing activities will give all campers their own way to enjoy and learn. All materials provided. No prior adventuring experience necessary.

Grand Rapids Running Walking Tours
Age: 16/up
Location: JW Marriott - in lobby
Instructor: Caroline Cook

America’s Furniture City- Walking Tour

Over the course of 60 short years, small family-owned furniture shops grew into large-scale furniture manufacturers, earning Grand Rapids the title of “Furniture City, America’s Furniture Capital”, and “The Paris of Furniture Design”. Learn as you move through downtown and pass the intriguing remnants of the residential furniture glory years: 1870 - 1930. Discover why timing was everything when our tiny frontier city was able to capture the world’s attention and furniture making dominated the economic landscape of Grand Rapids. We will also go by places that connect the dots to today’s thriving office furniture industry.

The Tale of Beer City USA- Walking Tour

“In Grand Rapids, the German-born immigrants began arriving in the 1840s, and within a decade, they were one of the city’s largest immigrant groups. This increased the local demand for beer and the need for more breweries and brew-masters.” This is the beginning of the Tale of Beer City USA as told to participants and seen through the lenses of beer-colored glasses. In this fun and fascinating tour, you will learn about the history of the beer brewing industry in Grand Rapids, its demise and its comeback that earned Grand Rapids the “Beer City” title. You will be so captivated by the story, that your feet won’t even know they are moving.

Th 7/16 6:00-7:30PM R$20 NR$25

Young President Ford- Walking Tour

Grand Rapids’ favorite son - Gerald R. Ford - the 38th President of the U.S., is buried here, beside his wife, Betty, but he was not born here. In fact, he was not named Gerald R. Ford at birth. This tour will tell the tale of our humble civil servant as you visit actual places touched by Junior during his All-American youth - 1913 through 1931 - in old Grand Rapids. Experience an invigorating workout and an inspirational story of a young man who was raised in this great mid-western city to become a world leader. You will learn where he lived, played, worshiped, studied, and competed athletically. As a final stop, you will observe Gerald Ford’s tomb, then salute his statue in front of the Presidential Museum and his last working office. This tour will also take place the day before his birthday.

WHY DO I PAY A HIGHER FEE AS A NON RESIDENT?:
As the City of East Grand Rapids Parks & Recreation Department receives municipal tax revenue paid by the residents living within the City limits, households living outside City limits are charged a higher program rate because they do not pay City of East Grand Rapids taxes.

JOIN THE FUN! WE WANT YOU TO PARTICIPATE: Is there a program that interests you, but has already begun? We will reduce your program registration fee based on the number of remaining classes. The reduced rate does not apply to the cost of supply fees associated with the program. Please note, not all of our programs allow late registration so this option may not be available for every program.

PROGRAM PARTICIPATION: Failure to attend a program or activity does not entitle the participant to transfer, make-up, or receive a refund for the day(s) missed.

HOUSEHOLD TRANSFERS: Household account members (immediate family includes father, mother, son or daughter) may transfer from an enrolled program to another currently publicized program without incurring a processing fee. Transfers must be made prior to the starting day of the program you are transferring from. If there is a difference in registration fees, the difference will need to be paid at the time of the transfer and/or any remaining credit balance will be placed on your household account for future use and will expire in one year.

REFUNDS MAY BE GRANTED FOR THE FOLLOWING REASONS:
• Injury or illness - a doctor’s statement, verifying the illness or injury, must be received within two weeks from the time of the illness or injury for a refund to be considered for a program. The Parks and Recreation Department reserves the right to issue a partial refund determined by the amount of participation in the program prior to the illness or injury.
• Participant moves more than 20 miles away from the City of East Grand Rapids.
• If our department cancels a program, participants will receive a full refund.
• If our department cancels a class due to inclement weather, instructor illness, mechanical failure or other unforeseen issues the participant will be issued an appropriate refund for the date missed, if it can’t be rescheduled. A household credit will be issued for all refunds under $10. This does not apply to league sports.

PROGRAM CANCELLATION REQUESTS: If you are unable to attend a program, a cancellation request can be made in writing, by phone or in-person a minimum of two full business days prior to the program start. If a refund is granted, an $8 processing fee for each program registration cancellation will be charged. Requests made less than two full business days prior to the start of the program are not eligible for a refund.

YOUTH LEAGUE SPORT CANCELLATION REQUESTS: If you are unable to participate, a cancellation request can be made in writing, by phone or in-person two full business days prior to the league’s first practice. If a refund is granted, an $8 processing fee for each league sport registration cancellation will be charged. League sport cancellation requests made less than two full business days prior to the league’s first practice are not eligible for a refund.

ADULT LEAGUE SPORT CANCELLATION REQUESTS: If you are unable to participate, a cancellation request can be made in writing, by phone or in-person prior to the league game schedule being completed. Cancellations will incur a $50 processing fee for each team registration. Adult league sport cancellation requests made after game schedules are complete are not eligible for a refund.

MEMBERSHIPS OR PUNCH CARD PASSES: Refunds will not be granted for fitness or aquatic passes, punch cards or memberships. We will be happy to transfer any remaining “punches” on a punch card to a CURRENT punch card holder.

USER CREDIT: If a user credit is placed on your household account, it must be used by you or an immediate household account member (father, mother, son or daughter). If user credits are available they must be used within one year or they will expire.

WAITING LIST GUIDELINES: We will create waiting lists for programs/activities that reach maximum capacity and/or for registrants who register after the deadline. Waiting lists are kept in chronological order for placing enrollees if openings develop. It is important for parents/participants to understand coaches and instructors do not have the authority to add participants to their roster. Waiting list placement will be made solely by the departmental staff for consistency and fairness. Any participant added to a roster without the consent of the Recreation Department will be grounds for dismissal from the activity and a one-year suspension from future programs.

SIGN UP GUIDELINES FOR YOUTH LEAGUE SPORTS: We will accept all sign ups for youth league sports by the deadline date unless there are roster limits noted. Signing up prior to the deadline, where indicated, participants receive a $20 discount. Participants may sign up for a sport after the deadline only if slots are available. If teams are filled, participants will be placed on a waiting list and placement on a team will only occur if an opening develops. Waiting lists are kept chronologically and placement will occur accordingly. Signing up after the deadline jeopardizes your child’s opportunity to participate.

BUDDY SYSTEM: The buddy system applies to the following youth sports: K-5 Soccer Leagues, Little Sluggers Tee Ball Leagues, 3 & 4 Girls Basketball and 3 & 4 Girls Lacrosse. The buddy system is designed to allow children to know at least one child on their team. It may also help families with carpool issues. We are requiring both children’s parents to complete and sign the form to be valid. The form must be completed in person or online so we know that you, the registrants, have requested your child to play with one other child. Limit one buddy request per child and must be completed by the program deadline. Due to various criteria, the “Buddy System” does not guarantee that your request will be honored. This is a service our department provides for our patrons.

PHOTO DISCLAIMER: EGR Parks & Recreation is committed to providing timely information to the public about our many offerings and programs. We accomplish this through regular printing of detailed brochures and updates on our website. These publications often include pictures of participants in action to give the public a sense of the fun and adventure awaiting them. If you don’t want to be in photos for publicity please let the individual know that is taking pictures.
