

On behalf of our EGR Aquatics Team I would like to welcome you to East Grand Rapids High School Pool (Butch Briggs Natatorium). The HS Pool is a favorite for competitive swimming, diving and water polo. We host community lap swim times at the pool. The facility includes a 14 lane, 25-yard pool with steps and accessibility lift options for entry, women's locker room and men's locker room. You can purchase a pool membership online or at the EGR Parks and Recreation office.

Enjoy your time at the pool,
Betsy Granstra, Aquatics Supervisor

Covid-19 Pool Policies and Procedures

Welcome to the EGR HS Pool.

Under current guidelines unvaccinated patrons are asked to wear their mask while in the facility - others may choose to continue to wear their masks.

We will provide on deck storage for your mask while you are in the water.

- Swimmers will enter through exterior door #27 off of Wealthy St.
- Check in with staff in the pool lobby.
- Staff will check in swimmers and verify pool membership, **no drop in swimming visits are permitted at this time.**
- 8 lanes will be available for swimming. We will have a max of three swimmers per lane. Families will be encouraged to share a lane. Lanes will be available on a first come first swim process. You might arrive at the pool and lanes may already be filled.
- Swimmers will be assigned a locker to use in the locker room. It will be strongly encouraged that locker rooms are used for showering and changing only - extended time (drying hair, etc. is discouraged). All patrons will be out of the locker room no later than 15min following their swim.
- Swimmers are encouraged to check out with the staff in the pool lobby.

As always, our goal is to offer our patrons a safe and enjoyable swimming experience. We continue to work with the Kent County Health Department and executive orders from our State and National leaders. This may require us to modify our Covid-19 Pool Policies and Procedures.

Closed - Monday, July 5th

Inclement Weather Policy:

If the East Grand Rapids Public Schools are closed due to inclement weather, both pools will be closed. We will close in the event of a tornado watch or warning, or a power outage lasting longer than 30 minutes.

Pool Closures and Changes:

Unexpected pool closures may occur due to pool contamination and/or mechanical failure.
